Welcome to Vaniti House.

The Belle Collection is special to us. It reflects our shared values: simplicity, beauty, and the kind of design that quietly supports everyday life.

From the basin and vanity to the mirror and fluted bin, each piece was thoughtfully designed to be both elegant and practical.

We've focused on quality materials, soft lines, and easy installation — because we know how important it is for a space to feel good and function well.

We're proud to share the Belle Collection with you, and we hope it brings a sense of calm, comfort, and timeless style to your home.
